

2019

- ❖ **Austin Energy Regional Science Festival 2019** will be held on **February 23, 2019**.

Elementary Schools must finalize their **online registrations** and submit all paperwork before **February 7, 2019**.

- ❖ **Caraway Science Fair** will be held on **January 23, 2019**.

Registration timelines:

November 5, 2018 – December 14, 2018.

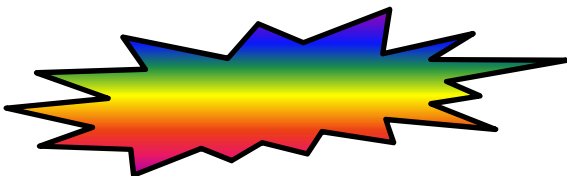

- ❖ Students are **NOT** allowed to do projects that involve growing any mold or bacteria.

No human or animal food is allowed on the project board or in the project area (not even in sealed bags or containers) for any grade level.

Up to 3 students can participate together in a project.

All students participating must be present during judging.

We are thrilled to have local experts from our

Science Community to judge our wonderful projects this year.
